ABOUT THE TOEFL® TEST

The purpose of the TOEFL test is to evaluate the English proficiency of people whose native language is not English. In 2002-03, more than 750,000 people registered to take the test.

TOEFL scores are required for purposes of admission by more than 4,400 two- and-four-year colleges and universities worldwide. In addition, government agencies, scholarship programs, and licensing/certification agencies use TOEFL scores to evaluate English proficiency.

The test is offered in two formats: computer-based and paper-based. The computer-based test is offered in most parts of the world. In areas where access to the computer-based test is limited, the paper-based version of the test is administered. This *Bulletin* contains information about both formats of the test.

If you do not know which version of the test is offered in your country or area, refer to the computer-based test center lists on pages 16-18. If your country or area is not listed, refer to the paper-based test center list on pages 20-21.

Every test center is open to all properly registered persons, regardless of race, color, creed, or national origin.

Computer-Based Test

The computer-based TOEFL test (CBT) is offered year-round at institutional sites such as colleges and universities and at testing centers operated by Prometric, a division of Thomson Learning.

The computer-based TOEFL test has four sections, all of which are mandatory at each administration.

- ▶ **Listening** measures the ability to understand English as it is spoken in North America. This section tests comprehension of main ideas, supporting ideas, important details, and inferences. You will both see and hear the questions before the answer choices appear.
- ▶ **Structure** measures the ability to recognize language that is appropriate for standard written English. The language tested is formal, rather than conversational. When topics have a national context, they refer to United States or Canadian history, culture, art, or literature. However, knowledge of these contexts is not needed to answer the questions.
- ▶ **Reading** measures the ability to understand short passages similar in topic and style to academic texts used in North American colleges and universities. You will read a variety of short passages on academic subjects and answer several questions about each passage.
- ▶ **Writing** measures the ability to write in English on an assigned topic. You must compose an essay in order to receive a total score.

Paper-Based Test

The paper-based TOEFL test (PBT) is offered six times a year in specific locations throughout the world (see test center list, pages 20-21). The test takes about 3 and 1/2 hours to complete. You will be given a test book and a paper answer sheet on which to record your responses.

The test has three sections:

- ▶ **Listening Comprehension**—measures ability to understand English as it is spoken in North America.
- ▶ **Structure and Written Expression**—measures ability to recognize language that is appropriate for standard written English.
- ▶ **Reading Comprehension**—measures ability to understand non-technical reading matter.

The test that you take may include one or more questions that do not count toward your score. These are new questions that help ETS determine how such questions function under actual testing conditions.

Each section of the test has a time limit. The supervisor will tell you when to start and stop each section. **You may read or work only on the section of the test you are told to work on.** If you finish one section early, you may NOT go on to the next section, and you may NOT go back to a section you have already worked on. Failure to follow this rule will be considered cheating, and your scores will be canceled.

The Test of Written English (TWE®) is a 30-minute writing test that is required of everyone taking the paper-based test. You will write a short essay on the one topic printed in your TWE test book to demonstrate your ability to write in English. This includes the ability to generate and organize ideas, to support those ideas with examples or evidence, and to compose in standard written English in response to an assigned topic. You will not need special knowledge of the topic. There is no separate fee for the TWE.

You will write your essay on a two-sided answer sheet attached to your TOEFL answer sheet. When you are told to begin work, read the instructions and the essay question carefully. You must write only on the assigned topic. If you write an essay on a different topic, it will not be scored. You will probably want to spend a few minutes thinking about the kind of essay you will write, and you may wish to make a few brief notes. The test supervisor will tell you where to make your notes for the writing test. Plan to take at least 20 minutes to write your essay after you have read the instructions and made notes.

SCHEDULING HINTS FOR CBT AND PBT

- ▶ Register early; test centers fill up quickly.
- ▶ Take the test as soon as possible so your scores will be received in time to be considered with your application.
- ▶ Appointments and admission tickets are not transferrable. You are not allowed to give your testing appointment to someone else.

You will not be admitted if you do not have the proper identification. See pages 9-10. The name you give when you register must match the name on the identification document you will present at the test center.

REGISTRATION INFORMATION *(continued)*

TOEFL Admission Ticket

ETS will mail you an admission ticket. If you have *not* received your ticket two weeks before the test date, call TOEFL Services (see “Contact Information,” page 5).

FRONT OF THE TOEFL TICKET

Name

When you receive your ticket, check to be sure your name is spelled exactly as you printed it on your registration form. If your name is printed in English letters on the required identification document that you will present at the test center (see pages 9-10), your name must be spelled the same way on your admission ticket. Also check the printing of your birth date, sex, and address.

If changes are necessary, follow the directions on the ticket. You must give the corrections to the supervisor on the day of the test. Name changes cannot be made. Only misspellings of your name can be corrected.

If you correct an error in the printing of your name, birth date, or sex, the test center supervisor must verify the change with the information on your identification document. If the corrected information is the same, the supervisor will sign the ticket. If the supervisor does not sign your ticket, the change will not be made. All corrections are subject to approval by TOEFL Services. Only address changes will be accepted after the test date.

NOTE: Do NOT return the ticket; you will need it at the test center. After the test, the supervisor will collect tickets with corrections.

Registration Number

Your registration number will be printed on your ticket. Keep the number in a safe place. You must have it if you write to TOEFL Services.

BACK OF THE TOEFL TICKET

Institution and Department Codes

You may have official score reports sent directly to four institutions if you mark and correctly grid their code numbers and department numbers on your answer sheet.* Therefore, it is very important that you accurately complete area 3 on your admission ticket using Lists A and B on pages 22-28.

If you are applying to an institution that is not listed, contact the institution and ask for its ETS/TOEFL code number, or you can ask TOEFL Services for the code number. You must have this information before the test date so you can enter the code number on your answer sheet.

If you do not have code numbers, you will have to complete a TOEFL Score Report Request Form and pay the required fee (see page 31).

If you are applying as an undergraduate student (that is, you have finished secondary school but have not completed your studies for a bachelor's degree), print 00 in the boxes for department code on the back of your admission ticket. Your score report will be sent to the undergraduate admissions office.

If you are applying for graduate study (that is, you have already earned a bachelor's degree at a college or university), look at List B: Department Codes (page 28). Find the name of the department in which you plan to study and then write the code number. If your department is not listed, write 99 in the boxes for department code

*If you are sponsored by an institution or agency and have given your permission to TOEFL Services, the institution or agency will also receive a copy of your official score report.

on the back of your admission ticket. You must write a department code number so TOEFL Services can send your score report to the correct office. If you do not write a department code, your official score report may be sent to the institution's undergraduate school.

For an agency or an institution that is not a college or university, print 00 in the boxes for department code.

PHOTO FILE RECORD

Before you report to the test center, you must do the following:

- ▶ Sign the photo file record.
- ▶ Attach a recent photograph of yourself (taken within the last six months) showing only your face and shoulders.
- ▶ Write your name, test date, registration number, and center number on the back of your photograph before you glue it to the photo file record in case it becomes detached.
- ▶ Trim your photograph so that it is no larger than 5×5 cm or no smaller than 3×3 cm. It cannot be larger than the designated space.
- ▶ Glue or tape your photo to the form. Do NOT use staples. Laminated copies and photocopies are not acceptable.

IMPORTANT: If you do not receive an admission ticket, but have official authorization from TOEFL Services to take the test, you must still take a recent photograph and the required identification to the test center. The supervisor will give you a photo file record form to complete at the center.

You must give the supervisor a recent photograph or your scores will not be reported. The photograph you attach to your photo file record must be clear enough so there is no doubt about your identity. Your face in the photo must show you as you will look on the day of the test, for example, with the same hairstyle, with or without a beard.

The photograph attached to your photo file record will be printed on your examinee's score record and, in most instances, on the official score records sent to institutions.

NOTE: If you fail to submit a photo file record, your scores may not be reported.

TEST CENTER CHANGES

If you are unable to go to the assigned center, you may go to another test center on the date printed on your admission ticket, but there is no guarantee that space or test materials will be available for you to take the test. Do not telephone or go to the test center before the day of the test.

If you are admitted to the new test center, you must change the test center number that is printed on your admission ticket and your photo file record. The admission ticket must be given to the test center supervisor at the end of the test.

appointment. Appointments cannot be rescheduled beyond one year of the original appointment date.

- ▶ When you cancel a CBT appointment with Prometric Testing Service or an RRC (at least three business days prior to the test date), you must then notify TOEFL Services of the cancellation by submitting a Refund Request Form (page 30) or calling TOEFL Services for the refund to be processed.

- ▶ If you do not cancel or reschedule, your full test fee will be forfeited. You will be charged US\$40 if you reschedule. You must provide your appointment confirmation number and the full name you used to make an appointment when you call.

Paper-Based Test

- ▶ You may not change your test date or cancel your registration. If you do not take the test and do not wish to register for another date, you may apply for a partial refund (see “Refund Policy” on page 6).

ON THE TEST DAY

Identification (ID) Requirements

How to use this information: All test takers must read Part 1. Depending on whether you will be testing within or outside your country of citizenship, you must also read either Part 2 or Part 3, as appropriate.

All test takers in Bangladesh, India, and Pakistan must use valid passports as their ID documents.

Part 1: Information for ALL Test Takers

- ▶ You must have acceptable and valid ID to be admitted to a test center. Identification requirements are strictly enforced. It is your responsibility to read and understand the instructions and requirements.
- ▶ If you arrive at the test center without the required identification, the test center administrator will not admit you, you cannot test, and you will forfeit your test fee.
- ▶ When scheduling your appointment or completing your registration form, you must use exactly the same name that appears on the primary identification document you will present at the test center. If the name shown on your primary identification does not match the name on your appointment record, you will not be permitted to test.
- ▶ Only misspellings of your name can be corrected at check-in—**NAME CHANGES WILL NOT BE MADE.** If your name has changed for any reason, including marriage, you still must present primary identification in the name under which you made the appointment, or you will not be permitted to test.
- ▶ If the test center administrator questions the ID you present, you will be required to present additional proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and will forfeit your test fee.
- ▶ Test center personnel will check your identification before assigning you a seat at the test center and, for CBT, you will be asked to sign the test center log. The administrator will check your signature to verify that you are the person in your photo identification. The administrator will repeat this procedure before and after all breaks.

- ▶ Admittance to the test center does not imply that your form of identification is valid or that your scores will be reported. All reported cases of questionable identification are subject to review and approval by the ETS Office of Testing Integrity.

Secondary Identification Documents

If your primary identification, specified in Part 2 or Part 3, is missing either a photo or a signature, you must present one of the following *secondary IDs* in addition to your primary ID. Secondary IDs that can be used to meet the photograph and/or signature requirements are

- ▶ a government-issued identification document that has not expired including but not limited to passport, driver's license, state identification, national identification, or military identification. (There are some exceptions: see “Unacceptable Identification Documents” below.)
- ▶ student ID
- ▶ confirmation of identity letter from your educational institution. (A sample letter is available on the TOEFL Web site.) The letter must contain your name and date of birth; a recent, recognizable photograph; your signature; the name of your school; and the date issued. It must be typed on the original letterhead of the educational institution you attend(ed), and the signature of the school official and the school seal must overlap your photograph. A letter of identity is valid for only one year after the date issued.

Unacceptable Identification Documents

- ▶ any expired ID
- ▶ draft classification card
- ▶ credit card of any kind
- ▶ Social Security card
- ▶ learner's permit or any temporary identification document
- ▶ international driver's license
- ▶ international student ID
- ▶ notary-prepared letter or document
- ▶ employee identification card

If You Cannot Meet the Specified ID Requirements or If You Have Questions About ID, you must contact the ETS Office of Testing Integrity (1-609-406-5430, fax: 1-609-406-9709, or email: TSReturns@ets.org) before you complete your registration form or schedule an appointment to test. If you do not contact the Office of Testing Integrity before scheduling your appointment and are not admitted to the test, you will forfeit your test fee.

ON THE TEST DAY *(continued)*

Part 2: If Testing WITHIN Your Country of Citizenship

You must present ONE of the following *primary identification* documents:

- ▶ passport with photograph and signature
- ▶ driver's license with photograph and signature
- ▶ state identification with photograph and signature
- ▶ national identification with photograph and signature
- ▶ military identification with photograph and signature

If your primary ID does not contain your signature, you must either sign the document or present an additional ID from the list of *secondary identification documents* (see Part 1). The secondary ID must contain a recent, recognizable photograph and your signature.

Part 3: If Testing OUTSIDE Your Country of Citizenship

You **MUST PRESENT YOUR PASSPORT** as your *primary identification* document (citizens of European and Schengen Zone countries, see special requirements below). If you do not meet this requirement, ETS may automatically cancel your test scores.

If your passport is not written in English language letters, you must also present an additional ID from the list of *secondary identification documents* (see Part 1) that contains a recent, recognizable photo and is in English.

If your passport does not contain your signature, you must either sign your passport or present an additional ID from the list of *secondary identification documents*.

U.S. military personnel may present their U.S. military ID cards for admission to test centers. If a military ID card does not contain a signature, a secondary ID is required.

European Union/Schengen Zone Countries

If you are taking the test within a European Union or Schengen Zone country outside your own, you may use your valid national or European identity card if you have one. The card you present must contain a recent, recognizable photograph, your date of birth, and your signature. If your form of identification is not in English language letters and the test administrator cannot read the language in which it is written, you may not be allowed to test. If your official ID *does not contain your signature*, you must present an additional document from the list of *secondary identification documents* (see Part 1) that does contain your signature.

Admission to the Test Center

COMPUTER-BASED TEST

When you go to the test center, you must have

- ▶ official photobearing identification (see pages 9-10). Your identification will be checked before you are admitted. The name given when making your appointment must match the name on the identification document you will present at the test center.
- ▶ appointment confirmation number. This will be given to you when you schedule your appointment.
- ▶ CBT voucher if you have one

Be prepared to select the institutions to which you would like your scores sent.

PAPER-BASED TEST

You must be properly registered to be admitted to the test center. You cannot use a canceled check as proof of registration.

- ▶ You must take your admission ticket, your signed photo file record with a recent photo, and acceptable photo identification (see page 8) with you on the testing day. Your admission ticket will have a registration number printed on it. When writing to TOEFL Services, be sure to include this number.
- ▶ To guarantee space, you should take the test at the center printed on your admission ticket.
- ▶ Report to the test center no later than the time printed on your admission ticket. No one will be admitted after test materials have been distributed.

Test Center Procedures and Regulations

FOR BOTH COMPUTER-BASED AND PAPER-BASED TESTS

On Test Day

- ▶ Dress so that you can adapt to any room temperature.
- ▶ Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.
- ▶ ID verification at the test center may include thumbprinting, photographing, videotaping, or other form of electronic ID confirmation. If you refuse to participate, you will not be permitted to test, and you will forfeit your test fee. This is in addition to the requirement that you must present acceptable and valid identification.
- ▶ Other than ID, personal items are not allowed in the testing room. Before the test, you will be assigned a locker or receive instructions from test center staff regarding where you must deposit items such as cell phones, pagers, handbags, and study materials. You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. You may not have access to your personal items during the test or break.
- ▶ Test centers assume no responsibility for candidates' personal belongings.
- ▶ The test administrator/supervisor will assign you a seat.
- ▶ On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test appointment. In the event that a technical problem at the test center makes it necessary to cancel your test session, or if it is later determined that your scores could not be reported, you will be offered the opportunity to retest free of charge or receive a full refund of the original test fee. In addition, you may seek reimbursement from ETS for the reasonable and documented expenses (for yourself only) associated with traveling to the test center, even though technical problems are generally not the fault of ETS. To request reimbursement, please contact ETS (see page 5) with the following information within 30 days of your original test date: your name, date of birth, mailing address, daytime telephone number, email address, original test date and registration or CBT appointment number, and a brief description of what occurred at the test center. ETS will determine the appropriateness of the request. Approved reimbursements will be made in U.S. dollars.

FOR COMPUTER-BASED TESTS ONLY

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.

ON THE TEST DAY *(continued)*

- ▶ If you requested and received an authorization voucher from ETS, you must take it with you to the test center.
- ▶ You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you cannot test and your fees will NOT be refunded.
- ▶ You will be required to sign the test center log before and after the test session and any time you leave or enter the testing room.
- ▶ Your picture will be taken and will be reproduced on your score report and at your testing station. Be sure the correct photograph is displayed on your assigned testing station.
- ▶ You must answer at least one question in each section and write an essay every time you take the test to receive an official score report.
- ▶ You must compose an essay, and if you choose to handwrite it, you must write it on the TOEFL CBT Handwritten Essay Form. If you write on anything but the form, your essay will not be scored. Time will not start until you have received your essay form.
- ▶ DO NOT click on Next and Confirm until you have finished typing or writing your essay.
- ▶ Scratch paper is provided following the break to aid you in organizing your essay. Scratch paper and note taking are not permitted during the Listening and Structure sections. If you decide to handwrite your essay, writing material will be provided. Once the time has ended for the essay section, you must stop writing and hand in your essay. All scratch paper must be returned to the test center administrator.
- ▶ There will be a mandatory five-minute break midway through the testing session. If you exceed the time allotted, you may be dismissed or your score may be canceled.
- ▶ If you need to leave your seat at any time other than the break, raise your hand; timing of the section will not stop.
- ▶ If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- ▶ Testing premises are subject to videotaping.

FOR PAPER-BASED TESTS ONLY

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center and ends when you leave the test center.

- ▶ Supervisors will not honor requests for schedule changes.
- ▶ Take your admission ticket and photo ID to the test center. You must submit a completed photo file record or your scores will not be reported.
- ▶ Take 3 or 4 sharpened soft-lead (No. 2 or HB) pencils and a good eraser. Pencils and erasers will not be supplied at the center.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You must have the supervisor's permission to leave the room during the test. Any time lost cannot be made up.
- ▶ You may wish to pace yourself with your own watch, but the supervisor is the official timekeeper. You will not be permitted to continue the test or any part of it beyond the established time limit. *Watch alarms and clocks on cell phones are not permitted.*

- ▶ You may not mark or underline words in the test book or make notes in the test book or on the answer sheet.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test supervisor. These materials are the property of ETS.
- ▶ There is no scheduled break during the TOEFL/TWE test. If you must leave the testing room, you are required to give the supervisor your identification document(s) before you leave the room. You will not be permitted to make up the time you lose.

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence.

DISMISSAL FROM A TEST CENTER

A test administrator/supervisor is authorized to dismiss you from a test session and/or your scores may be canceled by ETS for violations such as, but not limited to, the following:

- ▶ attempting to take the test for someone else or having someone else take the test for you
- ▶ failing to provide acceptable identification
- ▶ obtaining improper access to the test, a part of the test, or information about the test
- ▶ using a telephone or cellular phone during the test session or during breaks
- ▶ using any aids in connection with the test, such as mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, telephones, cell phones, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, and any hand-held electronic or photographic devices
- ▶ creating a disturbance (disruptive behavior in any form will not be tolerated; the test administrator/supervisor has sole discretion in determining what constitutes disruptive behavior)
- ▶ attempting to give or receive assistance—or otherwise communicate in any manner with another person about the content of the test during the administration, during breaks, or after the test
- ▶ removing or attempting to remove test content from the test center. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity

*United States, Canada, American Samoa, Guam, Puerto Rico, U.S. Territories

ON THE TEST DAY *(continued)*

- ▶ taking a weapon or firearm into the test center
- ▶ taking food, drink, or tobacco into the testing room
- ▶ leaving the test center vicinity during the test session or during breaks

- ▶ failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator/supervisor, or specified in any test materials

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator/supervisor's directions. If your scores are canceled, they will not be reported, and your fees will not be refunded.

SCORES & SCORE REPORTS

Examinee's Score Record/Official Score Reports

The TOEFL test payment entitles you to one printed examinee's score record and up to four official score reports that ETS will send directly to the institutions or agencies you designate either on your PBT answer sheet or, for CBT, at the test center on the day you test.

ETS will send the examinee score record to you at the most recent address you provided. If the postal service returns your score record as being undeliverable, TOEFL Services will send it again only if there is a new address on file. Therefore, if your address changes after you take the test, please contact TOEFL Services (see "Contact Information," General Inquiries).

TEST RESULTS CANNOT BE GIVEN ANY SOONER THAN INDICATED ON THIS PAGE OR SENT BY ANY OTHER METHOD THAN REGULAR U.S. MAIL.

SCORES MORE THAN TWO YEARS OLD CANNOT BE REPORTED OR VERIFIED.

COMPUTER-BASED TEST

For the computer-based test, you will receive four scale scores: Listening (0-30), Structure/Writing (0-30), Reading (0-30), and a total score (0-300). The essay score, on a scale of 1 to 6, will also be shown separately. (An essay is rated 0 if it contains no response; merely copies the topic; is off topic; is not written in English; or consists only of keystrokes.)

Your scores are based on your performance on the questions presented, the difficulty of those questions, and the number of questions you answered. More credit is given for correctly answering a hard question than for correctly answering an easy one.

NOTE: You must answer at least one question in each section *and* write an essay every time you take the test to receive an official score report.

Your score from the Structure section is combined with your essay rating to form the Structure/Writing scale score.

ETS will send an examinee score record to you and official score reports to institutions approximately two weeks after you take the test if you compose your essay on the computer. If you handwrite your essay, your scores will be mailed approximately five weeks after the test date.

You will be able to view your scores on the computer screen immediately following the test. You will see your complete scores for Listening and Reading; however, your Structure/Writing and total scores will be shown to you as score ranges because your essay will not yet have been read and rated. The printed score report that is mailed to you will contain all of the final section scores as well as your total score and essay rating.

The following is an example of what you might see when viewing scores at the CBT Center.

Listening	22
Structure/Writing	3-23
Reading	22
TOTAL	157-223

In this example, your final total score would be somewhere between 157 and 223. After viewing your scores on screen, you can choose to report them or to cancel them. (See "Canceling Your Scores" page 13, for additional information.)

At the end of your test, you will see on the computer screen a list of institutions and instructions about how to select them (the list is also in the *Bulletin*). For institutions in the United States, you will need to know the name of the state in which the institution is located. If you do not see the institution you would like to designate to receive an official score report, ask the test center administrator for a Score Report Request Form. Complete the form and return it to the test administrator before you leave the test center. If you do not select institutions on the test day, you must pay US\$15 per institution to have scores sent at a later date.

NOTE: Test centers do not provide receipts or printed scores for the test.

PAPER-BASED TEST

For the paper-based test, your score report will show three section scale scores and a total scale score. Each correct answer counts equally toward the score for that section. There is no penalty for wrong answers. The total number of correct answers is called the "raw score." (**NOTE:** Some questions in the test may not count toward the section or total scores.)

The raw score for each section is converted by statistical means to a number on what is called the TOEFL test scale. The TOTAL paper-based test score is reported on a scale that ranges from 310 to 677.

The TWE score is reported separately, on a scale of 1 to 6. A score between two points on the scale (for example, 5.5, 3.5) can also be reported.

- ▶ ETS will send an examinee score record to you and official score reports to institutions indicated on your answer sheet approximately five weeks after you take the test. Please see the back cover for score report mailing dates. You will need to know the four-digit code number for the institutions you would like to receive an official score report. These code numbers are in the *Bulletin*, or you

can contact the institution directly before the test date. If you do not select institutions on your answer sheet, you must pay US\$15 per institution to have scores sent at a later date.

- ▶ Test results will be mailed two or three weeks later to examinees whose answer sheets are not completed properly or whose answer sheets arrive late at TOEFL Services.

If you have not received your score record seven weeks after the test date, contact TOEFL Services (see “Contact Information,” General Inquiries).

Canceling Your Scores

Although you will have the option of canceling your scores after the test, you should consider very carefully before doing so. Your scores will be reported to institutions only if you request that they be. If you do cancel your scores, they will not be reported to you or to any institutions, and no refund will be made.

If you cancel your CBT scores and you decide within 60 days that you would like to have them reinstated, you may call, fax, or mail a written request to TOEFL Services (see page 5 for contact information). The fee for CBT score reinstatement is US\$20. Your request should include your name, date of birth, daytime phone number, appointment number, and payment (see “Preferred Forms of Payment” and “Payment Policies,” page 6). Scores will be reinstated and reported to you in approximately two weeks.

Canceled paper-based scores cannot be reinstated and reported at a later date. If you wish to take the test again, you must complete a new registration form and submit it with another test payment.

To cancel your paper-based test scores, you must either

- ▶ complete the score cancellation section of your answer sheet, or
- ▶ after the test, contact TOEFL Services. TOEFL Services must receive your request to cancel your scores no later than seven days after the test date printed on your admission ticket. You may not cancel your scores after receiving your score report.

NOTE: You cannot cancel your score for one section of a test and have the scores for the remaining sections reported. Once canceled, your scores will not be reported to you or to any institution, and you will not receive a refund of your test payment. The TOEFL program deletes canceled scores from your permanent record.

Ordering Additional Official Score Reports

TOEFL services will send official score reports to institutions other than those you indicated on the day of the test for a fee. Additional score reports can be requested by completing the TOEFL Score Report Request Form (in the *Bulletin*) or by using the scores-by-phone service. You will receive an acknowledgment confirming that your official score reports were mailed.

Please be aware that you cannot change or delete a designated institution after you have made your request.

- ▶ **By mail** - The TOEFL Score Report Request form will be returned to you if you do not include complete and accurate information as well as the correct fee. Scores will be mailed to institutions within two weeks after ETS receives your request.
- ▶ **By phone** - ETS will mail your score reports to your designated institutions approximately four days after you call.

NOTE: TOEFL and TWE scores are measurement information and are subject to all restrictions on release of information indicated in this *Bulletin*. They are not the property of the examinee.

The information contained in the TOEFL/TWE test files is the same as the information printed on your examinee’s score record.

Rescoring

See the TOEFL/TWE Rescoring Request Form (page 29) for details.

Other Score-Related Information

SCORE VERIFICATION

Institutions are advised to request official verification of any test scores sent to them directly by examinees. If you send your examinee's score record to an institution and there is a difference between the official scores recorded at ETS and those on the score record you provided, the institution will be requested to send ETS a copy of the score record. At the written request of an official of the institution, ETS will report the official scores, as well as any previous scores recorded for you within the last two years. ETS or its authorized representative will also provide information about your scores at the request of an institution or agency that has a copy of your examinee's score record.

NOTE: The information in your TOEFL record is the same as the information printed on your examinee's score record.

ACCEPTABLE TOEFL SCORES

Each institution that requires TOEFL scores decides for itself what scores or ranges of scores are acceptable. These requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. There is no specific passing or failing score.

If you have questions about how your scores have been used or interpreted, contact the institutions or agencies directly.

ACCEPTABLE TWE SCORES

There are no passing or failing scores, as such, on the TWE test. Each institution determines for itself whether to use TWE score information in conjunction with TOEFL score information and what score ranges are acceptable. To learn how scores are interpreted, contact the institutions that have received your test results.

TEST SCORE DATA RETENTION

Individually identifiable TOEFL test scores are retained in a database for only two years. After two years, all information that could identify an individual is removed. If you took the TOEFL test more than two years ago, you will have to take the test again to have the scores sent to you, an institution, or an agency.

CONFIDENTIALITY OF TOEFL SCORES

The TOEFL program recognizes the right of examinees to privacy with regard to information that is stored in data or research files held by Educational Testing Service and the program's responsibility to protect information in its files from unauthorized disclosure. ETS or its authorized representative may share examinee score data with institutions or agencies for verification purposes.

TOEFL test score data and essay responses that may be used at any time for informational, research, statistical, or training purposes are not individually identifiable.

Information retained in TOEFL records is the same as the information printed on the examinee's score record and on the official score reports. Official score reports will be sent only to those institutions or agencies designated by the examinee on the day of the test, on a Score Report Request Form submitted at a later date, or otherwise specifically authorized by the examinee.

Scores are not to be released by institutional recipients without the explicit permission of the examinee.

Your score record and the documents you complete that are retained at ETS (for example, your photo file record) may be released to third parties, such as government agencies or parties to a lawsuit, if requested pursuant to a subpoena.

TEST QUESTION INQUIRIES

Language specialists prepare TOEFL test questions. These specialists follow careful, standardized procedures developed to ensure that all test material is of consistently high quality. Each question is reviewed by several members of the ETS staff. The TOEFL Committee of Examiners, an independent group of professionals in the fields of linguistics, language testing, and language teaching that reports to the TOEFL Board, is responsible for the content of the tests.

After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and assembled into test pools. The test pools are then reviewed according to established ETS and TOEFL program procedures to ensure that all possible versions of the test are free of cultural bias. Statistical analyses of individual questions, as well as simulated versions of the complete tests, ensure that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions may occasionally occur. If you suspect a problem and want to question a test item for any reason, notify the test supervisor before you leave the test site. You may also write to TOEFL Test Question Inquiries 42-N-208, Educational Testing Service, Rosedale Road, Princeton, NJ 08541-0001, USA, or send a fax to 1-609-683-2600 immediately after taking the test. Please include the name of the test, the test date, the name of the center where the test was taken, and, if possible, the number of the test item being questioned.

If you have a complaint about the testing facilities or the supervisor, write to TOEFL (see “Test Center Complaints,” page 5) within three days after the test date. Be sure to give the date of the test, the name of the test center, and the city and country in which you tested.

ETS Score Cancellation Policy

Educational Testing Service strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS’s judgment, a testing irregularity occurs, there is an apparent discrepancy in a test taker’s identification, the test taker engages in misconduct, the test taker attempts to use the printed work or ideas of others as their own in the essay section of the test, or the score is invalid for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

TESTING IRREGULARITIES

“Testing irregularities” refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters and other emergencies). When testing irregularities occur, ETS may decline to score the test or may cancel the test score. When in ETS’s judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

IDENTIFICATION DISCREPANCIES

When, in ETS’s judgment or the judgment of test center personnel, there is a discrepancy in a test taker’s identification, the test taker may be dismissed from the test center; in addition, ETS may decline to score the test or may cancel the test score.

MISCONDUCT

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test or may cancel the test score. Misconduct includes, but is not limited to, noncompliance with the “Test Center Procedures and Regulations” found on page 10 of this *Bulletin*.

PLAGIARISM

ETS reserves the right to cancel the scores of test takers when, in ETS’s judgment, there is evidence that an essay includes, for example, text or ideas that are substantially similar to that found in other TOEFL essays or quotations or paraphrasing, without attribution, of language or ideas from published sources. Such essays do not reflect the independent compositional writing skills that the test seeks to measure.

INVALID SCORES

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS’s concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation, a free retest, or arbitration in accordance with ETS’s standard Arbitration Agreement. In addition, the test taker is sent a copy of the booklet *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time on request.)

NOTE: For paper-based testing, the retest option is available only to test takers in the United States and Canada. The arbitration option is available only for tests administered in the United States.

How to Fill in the Score Report Request Form

To complete the form on page 31, follow the instructions below.

Fill in your appointment confirmation/registration number, name, date of birth, and test date.

To order an official score report for an institution, look at List A: Institution Codes in the *Bulletin*. Find the name of the institution to which you want your official score report sent. Then print the name, address, and code number in the spaces provided. If you are applying to an institution that is not listed, contact the institution or agency and ask it to provide you with its ETS/TOEFL-assigned code number, or you can ask ETS for the code number. If the institution or agency does not have an ETS/TOEFL-assigned code number, fill in the institution name and the complete mailing address, but leave the institution code area blank.

If you plan to study at the undergraduate level, or if the institution is not a college or university, leave the space for department name blank and write 00 in the boxes for department code.

If you are applying for graduate study (that is, you have already earned a bachelor's degree at a college or university), look at List B: Department Codes. Find the name

of the department in which you plan to study and then copy the name and two-number code. If your department is not listed, write 99 in the spaces for department code. You must write a department code number so ETS can send your score report to the office the graduate institution has named to receive TOEFL score reports. If you do not write a department code, your official score report may be sent to the institution's undergraduate school.

NOTE: After you submit your completed form, you cannot delete or change designated institutions or department codes. List no more than eight institutions on this form. If you wish to order more than eight reports, you may photocopy the form.

Payment

1. See "Registration Information" in the *Bulletin* for preferred forms of payment and other payment policies. Do not send cash. If you are paying by credit card, write in the number of your American Express, Discover, JCB, MasterCard, or VISA card (no other credit card may be used). Enter the month and year of your card's expiration date in the spaces indicated. The total amount due will be calculated automatically at ETS and billed to your account. Receipts for bank checks or bank money orders are not acceptable. The actual negotiable

check or money order must accompany the form.

NOTE: By sending your check to us, you authorize ETS to convert the check into an electronic fund transfer. Please be aware that your bank account may be debited as soon as the same day we receive your payment, and you will not receive a canceled check.

2. If you do not send enough money, the TOEFL office will send reports only to as many institutions as you paid for, no matter how many you requested. (Fees are subject to change without notice.)
3. Sign and date the form before mailing.
4. Mail the form and payment to TOEFL, Educational Testing Service, PO Box 6153, Princeton, NJ 08541-6153, USA.
5. If you are paying by credit card, you may fax the form. Faxed requests will not be processed unless complete credit card information is provided. The fax number is 1-609-771-7500.

NOTE: All Score Report Request Forms will be processed upon receipt, and a charge will be made to your credit card. If you think your faxed Score Report Request Form may not have been received by TOEFL Services and you attempt to send the information again, write "DUPLICATE" in large letters on all repeat requests. This will help avoid extra processing by TOEFL Services and unnecessary charges to your credit card.
